## PTA And Jaycees Offer Votemobiles For Transportation To Polls Nov. 6th

With 3135 registered voters in the area from Chosen to Lake Harbor, PTA's and Jaycees members will have available votemobiles to see that all voters possible get to the polls on the sixth of November.

The Citizens Committee for Better Schools, cooperating with the county PTA organization and the Jaycees have set up committees in each precinct to check the registration lists by telephone and personal contact. Sonny Smith, President of the Jaycees and Mrs. Frank Dooley, President of the PTA are cooperating in the Belle Glade Chosen to Lake Harbor, it is the Jay PTA will handle the list in that City.

With more than 3100 registered in the precincts from Chosen to Lake Harbor, it is hoped that the greatest percentage of qualified voters will have voted by Tuesday night, the sixth.

## Last Rites Held For Mrs. Bea Der

Russell Tucker of the Florida National Bank was unanimously elected President of the Belle Glade Chamber of Commerce at the annual organization meeting Wednesday night, with S. K. Smith, Jr. and Marvin Unwin as Vice-Presidents.

Mrs. Edwina Young was re-appointed to serve as Executive Secretary.

Past President Hotard charged the following incoming directors concerning their duties: Tucker, Vernie Boud, Victor Mulberg and Dale Ellis.

Vice-President E. M. Lively, presiding officer reported that 142 ballots of the 184 eligible and that only one vote separated the third and fourth highest and that three tied for fifth.

Funeral services for Mrs. Margaret Esther Bea Der, 81, pioneer resident in the Glades since 1919, were held Wednesday a. m. at 10 o'clock at the Everglades Presbyterian Church of which she was a member. Dr. J. Leighton Scott, pastor officiated.

Mrs. Bea Der died at 4:30 Monday morning at the home of her daughter, Mrs. Esther Kirchner. A native of Rosewell, Ga., Mrs. Bea Der and family came to Torry Island in 1919 from Danville, Fla., and lived there until the '28 hurricane.

Her husband, William Andrew Bea Der, a barber, was the oldest daughter, Mrs. Gertrude Smith and 7 year old son were drawn in the hurricane. Since then she made her home in Belle Glade with her daughter.

Another daughter, Wilhelmina died in 1920 at age of 14. Mrs. Bea Der was one of seven children and was the last one living in the family.

## Mosley Recruits Mississippi Labor

J. W. Mosley, Jr., Farm Labor Representative for the Florida State Employment Service, returned Monday from a labor recruiting trip to Mississippi.

Mr. Mosley reported that he signed up some 600 harvest hands to arrive in Belle Glade starting Friday, October 26th.

"Mississippi has a real surplus of farm labor at this time," Mr. Mosley said. "This surplus has resulted from the fact that 2300 cotton harvesting machines this year as compared with only 900 the year before. He went on to state that each machine does the work of 20 men. "It is a simple matter to figure out why there is a surplus in Mississippi this year," he continued "and there is a good reason to believe that the Glades will have ample labor to harvest crops well in to June, provided sufficient housing is available for the workers."

## Warning! Not To Buy From Itinerant Vendors

A warning to people in Belle Glade that the season is now on for all types of racket is given by Clarence Tilton at the City Hall. He states for your protection and safety do not purchase any goods from itinerant merchants as they will be gone the next day.

At this season of the year they begin to hit the southern states and especially Florida. Illegal take from the public amounts to an enormous sum. City license officials request that the people call the police department if itinerant vendors cannot produce a license when selling goods.

## JUST A REMINDER!!!

A general reminder to the citizens and supporters of the high school athletic program. ALCOHOLIC BEVERAGES are prohibited by city ordinance and school board regulations on school premises and athletic events. Signs are now posted at all entrances and police officers will see that the ordinances are enforced.

It has also been brought to our attention that large sums of money have been bet on athletic events and while we realize that we cannot control such gambling, we ask that all citizens and supporters of our athletic program cooperate in keeping down open conversation of such gambling and especially see to it that our student body as a whole not be informed of such activities.

With these two very important reminders of two evils we expect the flag will take this opportunity to congratulate the citizens and supporters of the athletic program and the band for their splendid attendance and conduct shown to date.

Stated, F. O. Hobson, Principal B.G.H.S., Coach Jerry McKee, President B.G.H.S.A.A.

PTA Halloween Carnival Oct. 31

It is Halloween again and the Annual PTA Halloween Carnival will be held on the elementary school grounds. Every year parents, kids and everyone enjoy the colorful midway and the witches, goblins, and the parade.

Highlighting the Carnival will be the costume parade directed by Mrs. George Wedgworth to be held on the school field. All who are to participate in the parade are asked to be in their places by 6:45 p. m. as the parade will begin promptly at 6:00. Prizes will be awarded for the best costume in each group.

Immediately following the costume parade there will be a Wheel Parade with the latest models in automobiles, trucks and tractors on display.

Everyone is invited to come out to the cafeteria. A spaghetti supper will be served beginning at 5 o'clock until all are served. Mrs. J. H. McTaggart, as the caterer, ladies, will be in the making for a good time.

The Carnival is in charge of Mr. and Mrs. Robert Abel.

The 4-H Club members met Thursday afternoon in the Elementary School auditorium at 1:45 o'clock.

The president, Margie Averill called the meeting to order. An election was held for the remaining officers not named at the last meeting. Officers for the year were: Margie Averill, Janet Connell, secretary, Jackie Ellis; leader, Joan Fosterberry; delegate, counselor, Barbara Wolf; vice delegate, counselor, Patricia Williams; news reporter, Barbara Stone.

A demonstration on cutting and planting crotons and hibiscus was given by Margie Averill. Mary Lou Raulerson and Janet Connell gave a demonstration on high infusing feed for a year old calf.

Mrs. Elizabeth Pierce, leader, told some of the projects the group will accomplish this year. Members were also presented 4-H Club membership cards.

## READ IT—AND VOTE!

MORE CAMPAIGN LITERATURE! WHY DO THEY MAIL TO THIS STUFF?

IT'S VERY IMPORTANT TO KNOW THE ISSUES—SO WE CAN VOTE, AND VOTE WISELY!

He gives the following as "promises of a good citizen":

1. I will vote at all elections.

2. I will serve on a jury when asked.

3. I will respect and obey the laws and assist the courts in giving evidence.

4. I will support our system of free public education by doing everything I can to improve the schools in my community.

5. I will try to make my community a better place in which to live.

6. I will participate and teach the principals of good citizenship in my home.

7. I will work for peace but will dutifully accept my responsibilities in time of war and defend the country.

8. I will attend regularly the church of my choice.

These are working tools of a good citizen and I commend them to you.

Editor's Note — Representative Emmett Roberts, who recently represented Governor Collins at the Conference on Citizenship in Washington, D. C. reports that the theme of the conference was "the voting citizens presents a major problem in our country".

By J. J. McASKILL

The Belle Glade Rams, building up experience, confidence, and prestige as the season progresses, journey to Stuart tonight where they will be seeking their fourth Suncoast Conference victory.

Operating on the theory that the most important game of the season is the game at hand the Rams regard the Stuart Tigers with considerable respect, especially after Stuart mauling their arch-rival, Seacrest, 39 to 13 last week.

Belle Glade's coaches, with Clewiston and Vero Beach riding rough over all other conference competition, realize that a slip will send the Rams far down the scale in league standing.

Stuart has shown tremendous improvement since the beginning of the season. They have developed a quartet of fast, hard running, and seemingly tireless backs who specialize in running ragged the end of opposing teams. The Rams face a tough job of containing these boys who cover from 30 to 50 yards laterally and downfield, on nearly every offensive play.

The Tigers can and will throw the ball accurately and possess two capable receivers in T. Nelson and B. Hearn.

## Rams Win Big One Over Fort Pierce

By J. J. McASKILL

After witnessing the comparative ease with which The Belle Glade Rams handled the highly touted Ft. Pierce Eagles here last Friday night, it might be safe to assume that Belle Glade has a football team on its hands which has possibilities in the Suncoast Conference race.

Most of the fans who sat in on this most important victory were so amazed by Belle Glade's superiority that they almost forgot to cheer. What some of the fans might have failed to notice, however, was the vicious and deadly serious line play by the Rams which resulted in a badly shaken Eagle on almost every play.

It was no second rate club which the Rams defeated and the win should prove that the boys can deliver even when the competition is good.

The scoring in this game was underway in very much the same pattern as it did in the Lakewood, Seacrest, and Catholic Central games. The alert Rams pounced on an early fumble deep in enemy territory and converted it into a score.

This time Wayne Mock, making his first start of the year, gobbled up a Miami University player. Ft. Pierce 15 yard line to set the Rams on their way. Billy Jackson (Continued on page Eight)

Negro Groups Ask Aid From City On Community Center

With Amelia Houston as spokesman, more than two score negro citizens representing civic and fraternal organizations appeared before the City Commission Wednesday night asking for some definite action on a Community Center with particular emphasis on teenage activities.

The Commission, after the hearing and discussions, passed two resolutions declaring that it is the understanding of the Recreation Committee and the Commission itself that when the \$200,000 in bonds are sold the money will be spent fifty-fifty, or not more than 60-40, to provide recreation facilities for the community.

It also recessed the meeting until November 7th and requested its Recreation Committee to expend some definite action on this matter.

The Commission has notified the fiscal agent that he will have until November 1st to disburse the bonds already authorized.

Among other items handled were:

Authorized advertisement for two autos for police department, one for City Manager and two for the City.

Bids on truck bodies turned over to Manager for awarding.

Approved to assume responsibility for electric bill at the Woman's Club building.

Allowed the E. L. Pope representative to proceed with work on compiling information for a City Directory, and provided for the registration of all enumerators.

Discussed some provision for safety supervision at the Lake Employment Service said, "whenever a job is completed, many low level jobs are assigned to other growers who may be suffering from worker shortages."

The cooperation of all growers is earnestly solicited. Smith said, in protecting assigned crews (those with name cards) and workers (those without) from being diverted.

Boltons Honored At Housewarming

Mr. and Mrs. Nathan Bolton who have recently moved into their new home were honored Thursday night with a housewarming.

Mr. Y. E. Smith and Mrs. Lloyd McKinley won prizes in the games played. Mr. and Mrs. Bolton opened a display of many low level jobs served cake and punch.

Other guests were Mrs. Leo Johnson, Mrs. H. D. Merriam, (Continued on page Eight)

## Regulations For School Crossings To Be Studied

What action should be taken to protect school children crossing main roads near urban schools appears headed for a joint study by a committee representing the county commission, county school board and the sheriff's department.

The proposed committee was suggested this week by Commissioner Roy McKee, following a request from Glen Horne, that some action be taken to protect school children who have to cross Military Trail at 10th Ave. North at Lake Worth, to get to classes.

Horne said the crossing is used both as a pedestrian crossway and as a bus stop but that speeding motorists make the crossing hazardous.

The commission, in answer to Horne's request, voted to ask the State Road Department to survey the intersection with the view of installation of traffic signal and also for other recommendations to make the crossing safe for the youngsters.

Horne said his request to the sheriff's department and the constable serving the area, had been unavailing — Sheriff's department saying it was without adequate manpower and cars and Constable Louis Carroll saying he was unable to fill the request for daily supervision of the crossway.

The commission said the problem of school crossings in urban areas is general throughout the county and voted unanimously to follow Michael's suggestion of a joint committee study of the problem.

Doing fine and able to attend school.

## HIGH-SCHOOL TEACHER?

As a teacher, Carol may some day perform a real service to his community... and she will, if we unite NOW to see that she gets the education every child deserves. Four of our schools in the county are already on double sessions due to the rapid growth of the area. It could happen in Belle Glade... Let's vote FOR the school bond issue on November 6 to insure needed classrooms and school building repairs.

### Storage Space Is Topic At HD Meet

"Convenient Storage Space" was the topic of the program given by Miss Mary Todd, county home demonstration agent at the regular meeting of the Home Demonstration Club last Thursday.

During the business session the group voted in favor of an announcement of the Woman's Club in getting a county library. Reports were heard on the interior decorating course to be held through the County Adult Education Classes and an Electrical workshop in West Palm Beach on Friday.

Announcement was made that Christmas suggestions would be welcomed or any new ideas, for gifts.

At the next meeting on Nov. 15 an electric lamp workshop will be held at the home of Mrs. Clarence Kidder at 10 a. m. This will be a luncheon meeting. New ideas on lampmaking are solicited.

### Annual Fire Prevention Conference Nov. 7-8

Industries seeking plant locations in Florida first inspect a community's fire record before proceeding with their inquiries, according to State Treasurer Fire Marshal J. Edwyn Larson. "A city's determined effort to get more industrial payrolls, therefore," the official declared, "may hinge on its fire record and on the measures it takes to prevent fires."

Larson will conduct his department's seventh annual fire prevention conference in West Palm Beach on Nov. 7 and 8. Fire fighting officials and civic leaders from all parts of the state will report to the conference on how well they are able to "follow through" on what their constant inspections turn up, in the way of new equipment procurement and expansion of fire control boundary lines.

"The insurance rate to which a community is entitled by its perseverance in preventing fires, and ability to control them," Larson continued, "is an economic factor of first consideration to industrialists, and ought to be to home owners."

The Junior American Legion Auxiliary held its regular meeting Monday afternoon at the Legion Hall, Debbie Jones gave a report on the bake sale which

"During the 1955-56 growing season I used Dithane M-22 exclusively on over 1000 acres of tomatoes. Disease control was excellent... In spite of generally poor growing conditions my overall average yield was 350 field boxes per acre, which was highly satisfactory under the year's conditions."

JOHN W. CAMPBELL, John W. Campbell Farms Co., Goulds, Florida

"We have used Dithane on tomatoes and several other crops... more than 10 years... For our last three tomato crops we have used a lot of Dithane M-22 and are very pleased with the disease control it gave us. Fruit quality has been superior, and all things considered, I believe Dithane M-22 is the outstanding tomato fungicide available today."

LOYD D. WITT, Witt Bros., Fort Pierce, Florida

There's no argument anywhere about the value of DITHANE M-22 for control of tomato disease control. About the only difference is that some prefer spray powder—others blended dyes available from your local dealer. Either way, this manly fungicide helps you get lush, rich green foliage and outstanding yields.

## New Plymouth Hardtop

The 1957 Plymouth Sport Coupe (hardtop) has a low silhouette, long wheelbase,  
more powerful Fury 301 engine and revolutionary new Torsion-Aire ride—said to be the  
most important advancement in automotive design since the introduction of independent  
front suspension. "It is pictured here is the Belvedere with Sporton trimThe 1957 Plymouth will be  
displayed by Beck Motors of  
Clewiston beginning Tuesday,  
October 30.Lower, wider and more pow-  
erful, the new model represents  
a complete change in styling,  
body structure and chassis.The car we are about to in-  
troduce has the style and fea-  
tures of the Plymouth Presi-  
dent a few years ago, as possible for  
about 1960," Mansfield said.  
"We have moved faster than  
we had hoped. The public hasKathy Smith Feted

## SOUTH BAY SCHOOL NEWS

By Sharon Prevatt - Linda Wilder

Well going, the first six weeks  
of school are over and a look  
at some of the report cards say  
we had better get down to work.At the end of the Red Cross  
Money Raising Drive, a meeting  
was held and the total net was  
\$12.57.Friday in Assembly, Mrs.  
Martin's 4th Grade treated us  
to a Halloween play titled,  
"Halloween in a Cornfield".Characters were as follows:  
Jane — Sandra Wilson; Mary —  
Sharon Roberts; Scarecrow —  
Robert Murray; four ghosts —  
Karol Vadasz, Glenda Tyler,  
Glady Messer, Rita Leathlean;Witch — Norman Jean Singletary;  
Goblins — Buddy Good-  
bread, Darrell Sanders, Johnny  
Register; Dancing dog — Janet  
Crichfield; tin soldier — John  
Brown Evans; fat lady — Dur-  
inda Kelso; barking dog —  
Larry Bowen; five pumpkins —  
Roger Rouse, David Kerney,  
Mike Mansfield, Michael Wheel-  
er, Donald Bailey; song leader  
— Elaine Cordell; announce —  
Kathryn Zywicki.The Hurricane sponsors  
met Monday night to decide on  
dress uniforms for the girls.  
Monday, the Parent and Teacher  
Conference Day was held  
with about 50 per cent of the  
parents attending. The sched-  
uled 4-H Club meeting was  
postponed due to the illness of  
Mrs. Pierce.shown an eagerness to accept  
"dramatic change."1957 Plymouth models are as  
much as five inches lower than  
corresponding 1956 models. The  
wheelbase has been lengthened  
from 115 inches for all models  
in 1956 to 118 inches for stand-  
ard models and 122 inches for  
Suburban station wagons in the  
1957 line.In chassis design, Plymouth  
has accomplished its most signifi-  
cant change since the intro-  
duction of independent front  
wheel suspensions with coil  
springs in 1934. The feature is  
called Torsion-Aire.All of the 1957 Plymouths  
have more powerful engines  
than 1956 models. The standard  
V-8 for all models except the  
Plaza is the new Fury 301, thePTA Hallows'en  
Carnival Oct. 31Hallows'en is here again and  
plans for the Annual Hallows'en  
Carnival at South Bay are un-  
derway.Last year the carnival netted  
a total profit of over \$1400 and  
this year we hope to better this  
sum by a large margin.Activities for the Carnival  
will begin Wednesday, Oct. 31  
at 4 o'clock with a costume pa-  
rade at the school and will end  
at Jeffries Memorial Park,  
where the Carnival will be  
held. At 4:30 p.m. the cos-  
tumes will be judged. A sup-  
per at 6:00 will be served with  
a menu of ham, green beans,  
corn on the cob, and potato  
salad. The supper is the pro-  
ject of the second grade.All booths will be open at  
6:30. These are the school  
booths: 1st grade, candy and  
balloons; 2nd grade, ham sup-  
per; 3rd grade, cake, pie and  
coffee; 4th grade, rides, horses,  
fire truck and hayrides; 5th  
grade, fish pond; 6th grade, ring  
toss; 7th and 8th grade, cake  
walk; student council, dart  
board and baseball throw.The Lion's Club and a group  
of individuals are sponsoring a  
500-lb. steer to be given away  
at a ticket drawing, the profits  
to be given to the PTA.For the first time, the car-  
nival will have a dumping pool  
sponsored by the Lions Club.  
This should be a feature attrac-  
tion for everyone. The American  
Legion will have a refreshment  
stand.SB Baptist Church  
Homecoming Oct. 28Rev. John Cooper, pastor of  
the First Baptist Church, South  
Bay, announces that Annual  
Homecoming Day will be held  
Sunday, Oct. 28 with a basket  
luncheon at noon. A cordial in-  
vitation is extended to those  
wishing to attend and enjoy  
the fellowship. Everyone is  
asked to bring their own basket.A large crowd is expected as  
the Palm Beach County Sing-  
ing Convention will also meet  
at the church Sunday afternoon  
and a large delegation from Mi-  
ami is also expected to attend.
